

First Quarter Newsletter

Ms. Daley- Kindergarten

Note From Ms. Daley

As we wrap up the first quarter of the school year, I want to reflect on the exciting activities and accomplishments of our young learners!

Students have been actively engaged in learning classroom routines and procedures. We're excited about our new furniture and are making excellent use of the wonderful new supplies.

I'm looking forward to a wonderful second quarter filled with more learning and fun!

What We've Been Up to....

Language: Students have made great strides in recognizing letter sounds. They are beginning to blend sounds to form simple words. Students particularly enjoy practicing their letters and forming words using play-doh, as well as writing in sugar for a fun sensory experience.

Math: Students have been concentrating on writing numbers and comparing values from 1 to 10.

Science/Social Studies: We explored the changing seasons and engaged in hands-on activities, such as leaf rubbings and nature walks, to observe the world around us.

Religion: The children are discovering how God wants us to care for one another and appreciate the beauty of the world He has created around us.

Reminders

-Please check your child's take home folder and return it daily.

-As the weather is getting colder, please ensure your child comes to school with appropriate clothing for outdoor play.

-Please make sure school sweaters and sweatshirts are labeled with their name.

-Students should have one stuffed animal for rest time.
